Kaiser Permanente Fit Rewards 2026

At Kaiser Permanente you have access to an exclusive fitness program through Fit Rewards powered by One Pass Select®. You can choose fitness centers¹ in the Classic, Standard, Premium, and Elite Network Tiers at different price points. **All tier memberships offer flexibility allowing you to visit any fitness center within the same tier at no additional cost.** You can change membership tiers monthly, and whichever tier you choose, you can earn a reward of up to \$200 per year.² Simply work out at your fitness center of choice at least 45 days for a minimum of 30 minutes per visit within the calendar year.

Classic Network Tier

You can earn a reward of up to \$200, equivalent to a free gym membership, by selecting a fitness center from the Classic Network Tier.

Standard, Premium, and Elite Network Tiers

Not finding your favorite gym in the Classic Network Tier? No worries. The Standard, Premium, and Elite tiers offer additional boutique fitness center and studio options at an additional fee to help you find your fit.

What if your favorite workout location isn't part of the Classic, Standard, Premium, and Elite Fitness Networks?

No problem! Use any qualifying nonparticipating fitness center by tracking your visits on the Optum Engage app.³ Just hit your gym 45 days for at least 30 minutes a visit by the end of the calendar year, and you'll earn your reward.

Optum Engage app

Download the Optum Engage app to check in at any fitness center, track your progress, and redeem your reward.
