For more information on the following programs, call the Center for Healthy Living at 808-432-2260.

HALT - Health Achieved Through Lifestyle Transformation	Classes focus on transitioning members to a whole-food, plant-based diet and include lifestyle behavior change topics such as physical activity, label reading, mindfulness, positivity, eating out, and sleep to name a few. A Wellness Coach assessment is required to determine program eligibility.
Healthy Balance	A one-year weight management and diabetes prevention program that promotes healthy eating and getting active.
Stress Support Group	Manage stress with others in a caring and supportive space. Each session will start off with a brief description of the effects of stress physiologically, mentally and emotionally.
Weight Management Information Session	Learn about Kaiser Permanente's weight management resources and programs.

To register for the following class, call Integrated Behavioral Health at 808-432-7600.

Name	Description	Date		Time
