

Could You Be Allergic?

Thursday, April 18, 2019

11:30 a.m. – 1 p.m.

YWCA Laniākea – Elizabeth Fuller Hall

1040 Richards St. Honolulu, Hawai'i

Matthew S. Lau, MD
Board Certified
Kaiser Permanente
Chief, Department of Allergy and Immunology

Allergies occur when your body's natural defense system overreacts to allergens. Most allergic reactions are mild but can affect your quality of life. Join Mathew S. Lau, MD, Kaiser Permanente allergist, to learn more about:

- Allergy symptoms
- Medications that may help with nasal allergies
- When to see an allergy specialist

\$18 admission includes a healthy lunch by Café Julia.

Seating is limited.
